

# THOUGHTFULS FOR KIDS

Pop-open cards were the first products we ever made, and they've been one of our most popular products ever since. Each boxed set of ThoughtFuls for Kids includes 30 fun messages to offer support and share love.

## *You're Amazing*

Share a card with a child to remind them that they're one of a kind, to build self-esteem, and to share good feelings.

You're wonderful,  
exactly as you are.

I really like  
everything that  
makes you *you*.

You matter  
so, so much.

There's only one  
you in the whole  
wide world.

Your heart is  
big and brave  
and good.

You shine  
just like a star.

You're awesome in  
your very own way.

Thank you for being  
just who you are.

You're kind and  
clever and fun.

You're beautiful  
inside and out.

There's nobody  
else like you!

I think you're the  
best. I really do.

You're as bright  
as sunshine.

You're wonderful  
in every way.

You really are  
one of a kind.

You've got so many  
gifts to share.

I think you're  
something  
wonderful.

I'm so very happy  
you're you.

You're full of bright  
ideas and big  
dreams.

I think you're fun  
to be around.

You're extraordinary  
in so many ways.

Everything you  
are is brilliant.

You have your  
very own kind of  
specialness.

You're very  
important to the  
world.

I think you're one  
in a million.

You make  
everyone happy  
just by being you.

You're magical  
in lots of ways.

Your smile lights  
up my world.

You're lots of good  
things wrapped  
up in one.

You have such a  
beautiful spirit.
