

THOUGHTFULS FOR KIDS

Pop-open cards were the first products we ever made, and they've been one of our most popular products ever since. Each boxed set of ThoughtFalls for Kids includes 30 fun messages to offer support and share love.

You're Incredible

Share a card with a child to inspire happy feelings and build self-confidence.

You've got more
wow than two
double rainbows.

You're as magical and
fantastical as a unicorn.

You're more super
than a superhero.

You shine like a whole
snowstorm of sparkles.

You're the best.
Forwards, backwards,
and upside down.

You're like a handful of
glittery fairy dust.

You're a pocketful
of awesomeness.

You've got more *vroom*
than a rocket ship.

You're like one million
boxes of candy.

You're incredible, inside
and out and through
and through.

You've got more *snap*
than a crocodile.

You're as bold
as a ship full of
seafaring pirates!

You're as surprising
as a yeti making
snow angels.

You're more out of
this world than a little
green alien.

You've got more
boo than 100 ghosts.

You're an explosion of
extraordinariness.

You've got more bounce
than a bunny rabbit.

You're as wild as
a dazzle of
running zebras.

You've got more
bite than a
great white shark.

You've got more zing
than a basket of lemons.

You've got the
oompah-pah-pah of
a marching band.

You've got more
fizz-bang than
a firework.

You're as bright
and shimmery as a
soap-bubble circus!

You're a
rooting-tooting,
walking-talking
wonder.

You've got more
roar than a T. rex!

You're as dazzling
as a shooting star.

You've got more
fire than 200 fierce
dragons.

You're as sparkly
as a brilliant diamond.

You've got more *growl*
than a pack of tigers.

You're as amazing
as a rhino juggling
20 elephants!
